2019 CSA (Community Supported Agriculture) Membership

By becoming a member of our CSA, you are directly supporting our farm and its mission to serve and support individuals with disabilities. Your dollars go directly to strengthening and sustaining our farm. In 2019, we will be hosting a training program for 30 military veterans in collaboration with the Veterans Administration. We are looking forward to a great season and thank you for your support.

We have vegetables, cut flowers, and eggs available through our CSA. In August, we will open registration for the fall CSA.
